Hi Sara –

I've set up a folder on the Air Enforcement Managers Sharepoint site called "Regional Inspection – Enforcement Templates". On the US Air Enforcement Managers' Sharepoint Home Page you should see the folder under the Documents Heading. You should be able to click on this folder and it will open up sub-folders for each Region to load their documents. If you wouldn't mind going to the Sharepoint site and making sure that you see the folders and uploading something for Region 5, it would be a good test to make sure it is working. I can then send an e-mail to the AEMs that the folders are available, and encourage the Regions to upload documents prior to the May meeting. Please call me if you have any difficulty navigating the Sharepoint site, or don't see the folders I've set up, and we can figure it out. Here's the link to the AEM Sharepoint site:

Hi ladies,

On the last AEM call, I think you guys committed to setting up a spot of the AEM site for each Region to upload their enforcement/ inspection/ compliance templates. Any chance we can get that going before the meeting? I would likely provide a link to our templates on sharepoint instead if my guy that does that sort of thing can figure it out.
